for free-standing ambulatory surgery center services

(For claims submitted after HIPAA implementation)

Use the following claim form completion instructions, *not* the element descriptions printed on the claim form, to avoid denied claims or inaccurate claim payment. Complete all required elements as appropriate. Do not include attachments unless instructed to do so.

Wisconsin Medicaid recipients receive a Medicaid identification card upon being determined eligible for Wisconsin Medicaid. Always verify a recipient's eligibility before providing nonemergency services by using the Eligibility Verification System (EVS) to determine if there are any limitations on covered services and to obtain the correct spelling of the recipient's name. Refer to the Provider Resources section of the All-Provider Handbook or the Medicaid Web site at www.dhfs.state.wi.us/medicaid/ for more information about the EVS.

Enter claim sort indicator "P" in the Medicaid check box for the service billed.

Element 1a — Insured's I.D. Number

Enter the recipient's 10-digit Medicaid identification number. Do not enter any other numbers or letters. Use the Medicaid identification card or the EVS to obtain the correct identification number.

Element 2 — Patient's Name

Enter the recipient's last name, first name, and middle initial. Use the EVS to obtain the correct spelling of the recipient's name. If the name or spelling of the name on the Medicaid identification card and the EVS do not match, use the spelling from the EVS.

Element 3 — Patient's Birth Date, Patient's Sex

Enter the recipient's birth date in MM/DD/YY format (e.g., February 3, 1955, would be 02/03/55) or in MM/DD/YYYY format (e.g., February 3, 1955, would be 02/03/1955). Specify whether the recipient is male or female by placing an "X" in the appropriate box.

Commercial health insurance must be billed prior to submitting claims to Wisconsin Medicaid, unless the service does not require commercial health insurance billing as determined by Wisconsin Medicaid.

If the EVS indicates that the recipient has Wausau Health Protection Plan (“HPP”), BlueCross & BlueShield (“BLU”), Wisconsin Physicians Service (“WPS”), Medicare Supplement (“SUP”), TriCare (“CHA”), Vision only (“VIS”), a health maintenance organization (“HMO”), or some other (“OTH”) commercial health insurance, **and** the service requires other insurance billing according to the Coordination of Benefits section of the All-Provider Handbook, then one of the following three other insurance (OI) explanation codes **must** be indicated in the **first** box of Element 9.
